ADVISORY COUNCIL MEMBERS: Rebecca Knievel, Vice Chair; and Charla Wright, Clallam Representative.

GUESTS/PUBLIC: None.

CALL TO ORDER: Lisa Olsen called the meeting to order at 10:13 a.m.

AGENDA APPROVAL: A motion to pass the meeting agenda as presented was made by Randy Johnson, with a 2^{nd} by Jill Warne. **Motion Passed**.

PUBLIC COMMENT: None.

ESTABLISH NOMINATING COMMITTEE: Lisa Olsen named the 3 members present (Lisa, Jill and Randy) as the nominating committee. She reminded members the nominating committee will meet at the end of the agenda.

APPROVAL OF CONSENT AGENDA ITEMS: Motion to approve the Consent Agenda items as presented was made by Randy Johnson, with a 2nd by Jill Warne. Motion Passed.

EXECUTIVE DIRECTOR'S REPORT: Laura Cepoi

Laura provided an update on Federal and State legislative funding issues. She reviewed with members the W4A 2021 Legislative Priorities which include five major items: 1) Preserving Long-term care eligibility and funding; 2) Fix technical issues and approve upon the initial set up of the Long Term Care Trust Act (LTCTA); 3) Passage of SJR 8200 to ensure adequate funding for the LTCTA; 4) Support extending the Medicaid Transformation Demonstration (Waiver) program for one more year. Laura noted this program has been very successful for the wellbeing of clients and their

families and for delaying / preventing more expensive care and Medicaid enrollment; and 5) Support HB 1120 Long-Term Care Workforce Improvements, which will help maintain a long term care workforce by fixing rigid deadlines for licensing requirements during a disaster

- Laura reviewed the Elder Economic Index applicable to our service area, nothing that it takes approximately \$26,000 to live comfortably in our area. She noted that 50% of Medicare recipients have an income of \$26,000 or less, and of that 25% have an income of \$16,000 a year or lower.
- Laura spoke briefly about O3A's efforts to facilitate COVID-19 vaccination by sharing resources and
 information to assist clients and in-home care providers. O3A is considering ways to provide
 outreach and information about access to vaccines to the public. We are also considering ways to
 work with our providers to assist with transportation to and from vaccine appointments or clinics.
- Laura updated the board on the status of the Health Homes program, noting that upper management continue to review an internal staffing plan. She also noted that for one of the required software platforms needed to operate the HHs program, a reduced agreement was negotiated resulting if a savings of \$8,000 per year.
- Laura reported that the Request for Proposals for our nutrition and transportation programs funded by the Older Americans Act has been issued with an open application period of February 1, 2021 to March 16, 2021.
- O3A is also working with staff and AC members on the possible usage of Robotic Pets for social isolation or to assist with persons with dementia.

ADVISORY COUNCIL (AC) REPORT: Becca Knievel and Charla Wright

The meeting minutes for October and November, 2020 are included in the meeting materials. The AC is pleased that after a long recruitment there are multiple applications for vacancies in Jefferson and Pacific, as well as applications for vacancies for the regional positions of Minority and Disabilities representatives, and an applicant for the Elected Official Representative as well.

COG MEMBER ANNOUNCEMENTS: None.

NOMINATING COMMITTEE DISCUSSION: The nominating committee of Lisa, Jill and Randy briefly discussed the officers for 2021-2022. As two members are new, the consensus was to recommend that Lisa and Randy continue their roles as Chair and Vice-Chair respectively. This proposed slate of officers will be presented at the March 4, 2021 meeting.

PUBLIC COMMENT: None.

MOTION TO ADJOURN: The meeting was adjourned by consensus at 10:59 a.m.

DIRECTOR'S REPORT TO O3A COUNCIL OF GOVENRMENTS (COG) February 25, 2021

Legislative Updates

Ensure adequate funding for the Long-Term Care Trust Act (SJR 8200) which was to invest funds in securities was pulled from the calendar for a myriad of reasons, including timing and respect for voter opinion. Once the program begins to distribute benefits the resolution will be more meaningful to the voters and legislators plan to reintroduce it then.

The Long-Term Care Trust Act (HB1323) **Tharinger**, expands participation to include tribes and people with developmental disabilities. Clarifies opt out clauses and other technical fixes. **Status:** Proceeding to the floor.

Long-Term Care Workforce Improvements (HB1120), **Tharinger**. This will maintain a long term workforce by fixing rigid deadlines for licensing requirements during a disaster. **Status:** Moving ahead, AARP rescinded its opposition and is now neutral.

COVID Vaccination Distribution Funding

Aging and Long Term-Support Administration (ALTSA) has developed a funding methodology and proposal for OFM to for vaccine distribution assistance for the AAA's. ALTSA has asked for \$9.85 million of funding which can be used for:

- 1. Temporary unit increase for case management to do outreach and secure vaccine appointments for client and caregivers for the next four months.
- 2. Funding for R.N.'s on staff to deliver vaccines to homebound clients.
- 3. Funding for transportation for non-Medicaid individuals to get vaccines

Not every AAA will be able to use the funds the same way and W4A has asked for flexibility. The next four months are critical to our stakeholders and once we know what resources we will have to work with we will need to identify with our county partners what priorities are best for O3A to focus on.

In addition to this potential funding stream, there are CDBG funds available to assist rural regions in getting access to COVID vaccinations. We will be reaching out to all of our county public health officers to understand how we can support local efforts to reach our target population.

Salary Survey

It has been 5 years since our last formal salary survey and to ensure that our pay scale is equitable we will be gathering compensation results from the same entities we used in the 2016 survey. Results of this survey will be ready for formal review in June.

Health Homes Update

- Upper management continues to review internal staffing plan for Health Homes Administration. We are waiting for completed time studies from our Direct Services Department and will be transitioning nursing staff back to case management.
- Revision of job classification for Care Coordinator to ensure that recruitment specifications match skills required to perform job functions and to ensure adequate compensation.
- Review of Lead Entity losses is partially a result of time code recording which should have been allocated to our Health Home program rather than the lead function. Time code recording has been corrected and is already showing results.
- Expansion of the Lead Entity services to contracted CCO organizations and Tribal Communities
 outside of our four county service area where there is no other Lead Entity available or the
 relationship with O3A as Lead Entity is preferred by a CCO.

Area Plan Update

Area Plan update instructions are expected soon, and work will begin on it during the spring with a final report to the COG by October.

Data Breach/Confidentiality

State Auditor's Office (SAO) had a data breach that will affect 1.3 million Washingtonians. Some AAA's will also be affected by the unemployment insurance breach, emails will be sent to those affected over the next two weeks. SAO emails will contain an individualized code for 12 months of free credit monitoring and identity protection services.

Annual HIPPA and Security Training occurred this past week underscoring the seriousness of divulging personal information without permission. Additionally, some practices at O3A have been suspended to ensure that personal information is shared on a "need to know" basis only, as a result all recruitments will be centralized to ensure candidate confidentiality.

Respectfully Submitted,

Laura Cepoi Executive Director

DATE: February 25, 2021

TO: Olympic Area Agency on Aging COG Members

FROM: Laura Cepoi, Executive Director

SUBJECT: Approval of 2021-2022 Older Americans Act contract

DSHS Contract #2169-97590, Amendment No. #1

Background

The Olympic Area Agency on Aging receives annual funding under the federal Older Americans Act (OAA). OAA funds are used to provide services over our four county service area that include Congregate Nutrition, Home Delivered Meal Program, Legal Services, Transportation and Information & Assistance.

Amendment No. 1 presented here for approval provides O3A's allocation of the Consolidated Appropriations Act Title III-C2 funding received by the State of Washington. The amendment adds \$218,988 to our contract, increasing the maximum consideration to \$1,522,965. While the Major Disaster Declaration is in effect for Washington State, we can use these funds to pay for any emergent need. When the disaster declaration is no longer in effect, unspent funds from this source can only be used for expenses related to home delivered meals. These funds can support infrastructure purchase for vendors to support meal preparation, storage or delivery. There is no "match" required for the services portion, just the administration piece.

Recommendation

I recommend that the COG approve Amendment No. 1 to the 2021-2022 Older Americans Act contract as presented.

PROPOSED MOTION

Motion: The Olympic Area Agency on Aging Council of Governments approves Amendment No. 1 to the 2021-2022 Older Americans Act contract, DSHS contract #2169-97590. Laura Cepoi is authorized to execute the contract amendment on behalf of the agency.

SUBJECT: O3A NOV YTD 2020 Operating Results

Following this memo is O3A's Revenue and Expense Summary for Year-to-Date 2020. The Agency had an overall operating surplus of \$282,113 for non-restricted funds and a \$35,788 surplus for MTD MACTSOA restricted funds.

Non-restricted fund balance stands at \$2,050,034 as of 11/30/2020.

| | CSCM & CM | MTD | Local | DSHS | |
|------------------------------------|-----------|---------|-------------|-----------|-----------|
| Surplus (Deficit) in \$s | Title XIX | MacTsoa | Funds/Other | Advance | Total |
| Fund Balance 12/31/19 | 1,767,921 | 192,351 | 22,566 | 1,171,703 | 3,154,541 |
| Surplus (Deficit) through Nov 2020 | 557,132 | 35,788 | - | - | 592,920 |
| Used for underfunded programs | (275,019) | - | - | - | (275,019) |
| Fund Balance 10/31/2020 | 2,050,034 | 228,139 | 22,566 | 1,171,703 | 3,472,442 |

For restricted funds, the MTD MAC/TSOA program produced a YTD gain of \$ 35,788 at the end of November.

This surplus is added to the 2019 year-end MACTSOA fund balance of 192k, bringing the MACTSOA fund balance to \$228,139 YTD. These funds are restricted for use to the MTD MAC/TSOA program.

Case Management surpluses mitigated other program losses - largely in the Health Homes CCO & Lead program area. Additional losses occurred in Admin, Information & Assistance (I&A), and Home Care Referral Registry.

| Home Care Referral Registry (HCRR) | (23,280) |
| Health Homes CCO | (41,484) |
| Health Homes Lead | (132,551) |
| Total | 282,113 |

<u>The updated 2020 Budget totals – approved in December by the COG - are not included in the November financial</u> reports.

A financial review by department includes the following items:

Admin –

Through November, Admin is under budget overall and the only line item *over* budget is repairs and maintenance for the office move. Since Administration allocation is calculated monthly, there are months when expenses were higher than the allocated revenue from grants allowed, so the agency did use fund balance to cover these expenses.

- **IT** YTD Payroll and benefits are under budget (less FTE than budgeted). Annual technology equipment purchases are also under budget.
- Planning and Contracts Management- YTD Expenses are mostly on target or under in operations.

The total YTD **COVID** related grant spending as of 11/30 was \$931,595 (including Admin) and is primarily nutrition related and a subcontracted service.

In addition, in September the agency reimbursed Coastal Community Action Programs \$150,000 for their kitchen rebuild project after the fire they experienced. There was no admin negotiated on these funds from the contract with ALTSA -who graciously found funds for this project in 2018, -therefore the agency used reserves to fund the Admin associated with this piece.

- Core Case Management & Nursing has exceeded the year-end target of a \$227,372 surplus. At the end of November the surplus was \$526,997. Case management revenues are over budget by \$61,495 and expenses in Payroll and travel were under budget by over 176k. There are unfilled positions and added caseload. In addition, the admin allocation and IT allocation are under original budget projections.
- **I&A** Expenses are under budget in Payroll, Benefits and travel resulting in a smaller loss than anticipated by around 13k.
- Family and Kinship Caregiver Support Payroll Expenses and Admin allocation are under budget YTD.
 Revenues are mirroring the reduction. Respite spending is up in order to use available funding. Services to Grandparents actual expenditures are under budget.
- Home Care Referral Registry's (HCRR's) Olympic HCRR used \$23,155 in agency reserves to finish out the State/Federal contract on June 30, 2020. With a new contract in hand, losses will not occur until the new funding runs out estimated to be May of 2021. Olympic HCRR is under budget on expenses for Payroll and benefits. Pacific HCRR did not use Agency reserves. The transition away from AAA's handling this service, originally thought to end June 30, 2020 has been delayed another year to year and a half.
- Ombudsman Since in-person visits have been not allowed at Long-Term Care facilities due to COVID, the program is under budget on travel in the amount of 18k, which has helped create a smaller than anticipated loss.
- Health Homes CCO The revenues for HH CCO exceed budget and the expenditures are trending downward keeping the program from incurring additional losses. – \$(41,484) The anticipated new reimbursement rates effective 07/01/2020 for CCO's are helping bring losses down for this program.
- Health Homes Lead Revenues are YTD under budget, due to the loss of Kitsap CCO and not receiving lead fees for tribal work.
 - Operating expenses are under budget, with payroll costs trending down as some nursing time is moving to Case Management and Health Homes CCO. Efforts are being made to adjust the staffing plan and annual expenditures, including the fixed software costs for the program.
 - Should the legislature approve admin funding for tribal work, the agency may receive revenue for previous work done in this area.
- MTD/MAC/TSOA Expenses are substantially under budget in Payroll and Benefits and over budget in Admin Allocation. Quarterly milestone billings will be completed in December, which will bring the net program gain up. Currently the YTD gain is 35k for the year as of Nov 30, 2020.

MEMORANDUM

Date: February 16, 2021

To: Council of Governments (COG)

From: Advisory Council

RE: AC Member Recommendations – Two Regional Positions

There have been several Regional Representative vacancies on the Advisory Council: Disabilities, Local Elected, and Minority. After several recruitment efforts, we received several applications for these regional positions. Recently, we've had the opportunity to interview several candidates for the Local Elected and Minority positions. A copy of the applications is included with this memo. The Advisory Council at the February 16, 2021 meeting reviewed the following information and passed a motion to recommend both candidates be appointed by the COG as follows:

Local Elected Representative:

We were thrilled to receive an application for the Local Elected Representative position. This regional position has not been filled in a very long time (maybe ever). Susan Conniry is currently a member of the Ocean Shores City Council. She developed the Community Voices meetings in Ocean Shores, which bring people and providers together to discuss and resolve issues in the community. Susan has worked with two former council members in the North Beach Senior Resource Center. Advisory Council Chair Beth Pratt, Vice-Chair Becca Knievel, and State Council on Aging Representative Joe Sharkey participated on the February 9 interview panel with Ingrid Henden.

The panel unanimously recommends Susan Conniry for the Local Elected Representative position.

Minority Representative:

We also received one application for Minority Representative from Karen Sturnick. Karen has spent many years working for and with Habitat for Humanity across the United States and the globe. She has many years of experience working with non-profits, Peace Corps, and the United Nations World Food Program. Advisory Council Chair Beth Pratt, Vice-Chair Becca Knievel, and State Council on Aging Representative Joe Sharkey participated on the February 9 interview panel with Ingrid Henden.

The panel unanimously recommends Karen Sturnick for the Minority Representative position.

PROPOSED MOTION: The Olympic Area Agency on Aging Advisory Council recommends the Council of Governments appoint Susan Conniry to a three-year term as the Local Elected Representative and Karen Sturnick to a three-year term as the Minority Representative on the Olympic Area Agency on Aging Advisory Council.

TO: Olympic Area Agency on Aging Council of Governments

FROM: Olympic Area Agency on Aging Advisory Council

RE: 2021 Older Americans Act - TIIID Health Program RFP Awards

Background:

The Federal Older Americans Act, Title III D for Preventative Health (TIIID), provides funding for Health Promotion and Disease Prevention programs to reduce illnesses that lower quality of life, drive health care costs and reduce an older adult's ability to live independently. The Olympic Area Agency on Aging (O3A) maximizes TIIID funding to help build local programs that support healthy lifestyles and healthy behaviors, to improve the quality of life and an older adult's ability to live independently.

Through a procurement process, O3A supports community leaders to help build and offer evidenced-based programs by providing funding for leadership training and local workshops.

The COVID-19 pandemic caused interruption and closure of in-person programs since March 2019. Janis Housden, Contracts and Program Manager, worked closely with the National Council on Aging (NCOA), following guidelines for approved Virtual - evidence-based programs during COVID-19. An RFP for VIRTUAL evidence-based programs was prudently developed.

2021 Request for Proposals:

O3A's TIIID funding for 2021 is \$22,844. The Request for Proposals (RFP) for VIRTUAL evidence-based programs for Region was released in November 2020, and closed January 31, 2021. The opportunity was advertised throughout O3A's 4-county service area by providing:

- 1. Notices about the RFP in local newspapers in every county;
- 2. Emails to former and current providers, allied agencies, and the Tribes in each county;
- 3. Postings on the Office of Minority and Women Owned Business website; and
- 4. Posted on O3A's website.

Awards:

Three applications were received. One application is on hold, as the certification training for the contractors is temporarily not available. The following two contracts were approved by the O3A Advisory Council on February 16, 2021:

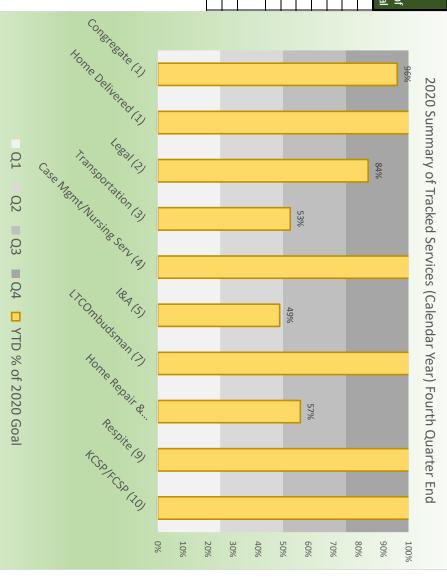

- 1. <u>Marsha Melnick, PT, PhD, dba ABC4PD</u>: *Aerobic, Balance, Coordination for Those with Parkinson's Disease* Virtual Tai Ji Quan Movement for Better Balance, \$7,116.00. Virtual classes for qualified residents from Clallam, Grays Harbor, Jefferson, and Pacific Counties.
- 2. <u>Each Moment Counts, LLC:</u> *Powerful Tools for Caregivers* \$8,478.00. Virtual classes provided for qualified participants residing in Clallam, Grays Harbor, Jefferson, and Pacific Counties.

The total amount of the awards above is \$15,594. This leaves a TIIID fund available balance of \$7,250. Janis Housden is in the process of working with Each Moment Counts for a possible contract for Stress Busters for Family Caregivers. The delay in the application is with the Stress Busters administration to provide certification training for trainers. Janis Housden will provide an update as soon as available.

Proposed Motion:

The Olympic Area Agency on Aging Council of Governments approves the 2021 Older Americans Act – Title III-D Evidence-based program RFP awards as described above, for a total of \$15,594 in initial awards, with \$7,250 to hopefully be allocated at a later date. Laura Cepoi, Executive Director, is authorized to sign these contracts.

EXECUTIVE DIRECTOR REPORT: Laura Cepoi

Laura reported that Representative Steve Tharinger, 24th District, is sponsoring a bill related to long-term care in an emergency. She also provided an update on the legislative priorities from W4A: 1) preserving long-term care eligibility and funding; 2) fix and improve Long Term Care Trust Act (LTCTA); 3) ensure passage for adequate funding of the LTCTA; 4) support extension of the MAC/TSOA waiver; 5) long-term care workforce improvements.

There will be a webinar on January 25 hosted by Kate White-Tudor, Legislative Advocate for W4A, on these topics to prepare council members across the state to discuss them with their legislators.

Laura reviewed information from the Elder Index. 50% of Medicare recipients earn less than \$25,000 per year; 25% live on less than \$16,000 per year. The most wealthy are the baby boomers. Elders in good health need \$500 less per year to live on than elders in poor health.

Laura also shared information on upcoming projects at O3A. Included in the council's packet was a flyer on Social Call, a telephone program to help combat social isolation. O3A has also volunteered to be a pilot for a new robotic pet program through the Aging & Long-Term Support Administration. O3A is also developing an outreach to shelters to pay one-time adoption fees to help seniors adopt senior pets.

O3A is also providing assistance with helping seniors complete the online sign-ups to get the COVID-19 vaccine as it becomes available throughout our region.

CONTRACT MANAGEMENT AND PLANNING DIRECTOR REPORT: *Jody Moss*Jody reviewed the third quarter service report, OAA RFP schedule, and the activity timeline with the council. The OAA RFP will be posted on the website from February 1 to mid March. The Allocations committee will need to meet in March to review and score the RFP responses. The recommendations will come to the AC for the April meeting, and to the COG for their May meeting.

The current Older Americans Act meal rate that was recommended to the COG contained an error which has now been corrected to reflect the current higher pandemic related meal rate of \$8.50 per meal.

PALLIATIVE CARE ROAD MAP:

Charla Wright, Clallam County representative and Senior Account Executive with Assured Hospice, presented the recently developed Palliative Care Road Map. Similar to the Dementia Road Map developed by the Dementia Action Collaborative a few years ago, the Palliative Care Road Map is a thoughtfully presented tool for caregivers and families who need to consider palliative care. Eldred commented that it was very helpful and thanked Charla and others who developed it. Charla is trying to connect with hospitals electronically since visitors are not allowed to distribute the road map. A pdf version of the roadmap can be accessed here: https://www.doh.wa.gov/Portals/1/Documents/Pubs/609013.pdf.

LOCAL MEMBER REPORTING:

Council members provided the following reports on their communities:

- Ginny reported that Governor Inslee has opened vaccine eligibility to those 65 and older. Jody commented that she is tracking COVID-19 numbers by county and is now including vaccine information as well. Jody will add AC members to her mailing list for that information.
- Charla reported that the Olympic Medical Foundation is hosting the annual Red, Set,
 Go virtually this year. During the month of February participants can run, walk or swim

the event distance(s); it can be completed all in one day or throughout the month. All participants receive a shirt (long sleeve shirt), finisher medal and race bib.

STATE COUNCIL ON AGING (SCOA) REPORT: Joe Sharkey
