APPROVAL OF CONSENT AGENDA ITEMS: Motion to approve the Consent Agenda items as presented was made by Lisa Olsen with a 2nd by Jill Warne. Motion Passed.

EMPLOYEE HANDBOOK UPDATE: Carol Ann Laase

Carol Ann reviewed the agency's Employee Handbook update presented for approval, noting that the majority of changes were the addition of policies issued since the current handbook was issued in 2019 (WA Paid Family and Medical Leave, remote work, change to PEBB benefits, etc.); updated travel policies; the transition to ADP which required adjustments to pay schedule, time reporting, and leave policies; and language clarification. After discussion, the following motion was made: **Motion:** The Olympic Area Agency on Aging Council of Governments approves the 2024 Employee Handbook update effective as of April 5, 2024. Motion by Lisa Olsen, with 2nd by Jill Warne. **Motion passed.**

DOH EQUITY GRANT AMENDMENT #4 CONTRACT APPROVAL: Laura Cepoi

and site expansion. **Motion:** The Olympic Area Agency on Aging Council of Governments approves Washington State Department of Health contract amendment #CB026652-04 for Grays Harbor County. With all action items addressed, Jill Warne left the meeting.

EXECUTIVE DIRECTOR'S REPORT: Laura Cepoi

- WA Cares: Laura noted that the that Initiative 2124 on the ballot for this November is the next challenge for WA Cares as the opt-out provision is expected to essentially bankrupt the program. Laura continues to serve on the Long-Term Services and Supports Trust Commission. O3A will be expanding outreach and developing plans to prepare the agency to support the significant anticipated increase in community service needs when WA Cares beneficiaries begin to seek access to services and programs in 2026.
- Laura thanked Carol Ann Laase and Michelle Busch for their heard work over the past year in developing and reviewing the Employee Handbook update.
- A review of the agency's various community outreach efforts showed a surprising number of events taking place. It is possible some clients may not realize that the programs they are participating in are under the O3A umbrella. As one means to improve branding, all staff have been provided the option to select an O3A branded apparel item (jacket, vest or polo shirt).
- The south counties participated in a two-day dementia training provided by O3A's Bri Buchanan. The north county event will be in mid-April. In addition, during a recent 7.01 planning meeting with the Quinault Nation there was a very productive conversation about the possibility of the agency providing Dementia training to tribal-social workers in addition to the other programs the would support individuals and their caregivers. We are very excited about the possibility of offering dementia training to tribal nations across the state and very much appreciate the offer of the Quinault Nation to potentially serve as host.

FISCAL REPORT: Corena Stern, CFO

Corena reviewed the 2023 year-end report and budget update. The agency ended 2023 with a YTD operating surplus of \$1,112,300 for Title XIX restricted funds and a YTD surplus of \$279,819 for MTD MAC-TSOA restricted funds. The restricted fund balance as of December 31, 2024 is \$4,821,565, and the restricted MTD MAC-TSOA fund balance is \$968,340. Local fund balance is \$491,643 as of the end of December including YTD interest income of \$166,301.

ADVISORY COUNCIL (AC) REPORT: Eileen Svoboda

Eileen reported the recommended appoint of Jeanette Siburg for Jefferson County, and the resignation of Jeanine Grey in Pacific. Allocations committee members are helping with the Senior Farmers Market Nutrition Program scoring for north county services in 2024. Pam Tuttle noted the Ocean Shores resource center is open 5 days a week now.

COG MEMBER ANNOUNCEMENTS: None.

PUBLIC COMMENT: None.

DIRECTOR'S REPORT TO O3A COUNCIL OF GOVENRMENTS (COG) – April 26, 2024

WA Cares:

As a member of the LTSS Commission I participate on multiple workgroups to address program criteria and application. First draft of rules will be released in late summer to address assessment/eligibility, rights and responsibilities, application process and providers. Currently I am attending the minimum provider qualifications group and the maximum provider payment group, providing input on behalf of AAA's as well as providing input that is relevant to providing services in rural areas.

All AAA's in the state have received outreach funding to prepare beneficiaries for this benefit. We are in the next phase of preparation and will be receiving funding to expand our provider network to meet the anticipated growth in need and especially will be looking to expand contracts for environmental modifications (ramps, bathroom access, lifts, grab bars).

Locally we are preparing by advancing our transition from Area Agency on Aging (AAA) and expanding our scope as a Aging and Disability Resource Center (ADRC)- we are one of the last holdouts operating as a AAA and our sister agencies have already transitioned to the ADRC model. This is more than a name change as it will officially expand our scope to offer resources and support to people with disabilities. We currently meet many of the criteria to operate as an ADRC and will need to apply for this recognition from the state. This will mainly impact our Information and Assistance staff who will be expected to offer a fuller range of resources to meet needs of those seeking resources because of disability, mental health, or substance abuse. We find this a necessary step to prepare our staff to provide counselling and resources to WA Cares beneficiaries who will be seeking our assistance as working aged adults.

Agency Administration:

ALTSA staff completed a thorough review of our 2024 Area Plan Budget, the 2024-2027 Area Plan Narrative, and 2024 cost allocation plan and approved all with no revisions required.

Staffing Updates:

 We have reviewed the staff allocation plan and organizational structure with the exit of our Nursing Services Manager and have determined that it would be a reasonable plan for FCSP, MAC/TSOA, KCSP, and Health Homes programs under the guidance of the same regional manager to ensure consistency in program service delivery, staff training, and program data collection/reporting. These programs focus on direct client services outside of case management and have similar service delivery goals of reducing Medicaid/state cost burden, reducing for each client the impacts of medical/economic circumstances, and improving individual client health outcomes while maximizing client choice. All programs require a varying level of outreach for both clients and service providers.

During the 5 months of the nursing services manager absence, the current FCSP Supervisor, Renee lverson, successfully added the Health Homes program to her existing program portfolios- MAC TSOA, FCSP and Kinship. Now that Renee has a track record of working with the programs and understands how all these programs can be coordinated for client services. She will now be working within the scope of a new Client Services Manager position beginning May 1, 2024.

- 2. A Contract Specialist was hired and will begin work in the Port Townsend office on May 1, 2024.
- 3. We are in the interview process for a Case Manager (growth) position in the Aberdeen office, Care Coordinator and Family Caregiving/Dementia Specialist in the Port Townsend office. We continue to seek a payroll specialist for the fiscal team.

Health Homes:

Staff met to discuss Health Home Leads function at this agency across all programs. We identified challenges to successful management of this program and determined that we needed to codify these issues in a letter to the WA Health Care Authority, the administrating agency. We identified the following issues: Data/tech infrastructure, reimbursement/payment/sustainability, training/capacity building, funding resources do not meet geographic need- poor ROI. We were able to identify that we were meeting 30% of the population need for this service, in line with other agencies, but different economies of scale.

Dementia Program:

The all-staff Dementia training was also extended to APS staff and the Mental Health Navigator with the Jefferson County Sheriff's department in our northern region this month. The agency will be offering 7 free public workshops on "Dealing with Dementia", the first one is scheduled for May 30th in the Sequim office and provides caregivers with tools and resources to manage their loved ones behavior.

"Old Friends Club" is a new site-based program located at HALA in Aberdeen, this program is a day activity program for people with dementia, the program will be marketed for private pay individuals

The Port Townsend Memory Café has a new location/partnership with Reveille Café- Fort Worden beginning June 3, 2024. Fort Worden staff have requested that all park staff be trained in Dementia and Bri will be offering training on two days to meet this need. Bri has been working with the chief medical officers of North Olympic Healthcare network and the Jamestown Family Health Clinic to set-up up virtual training sessions for primary care and early diagnosis expertise in our area through a program with UW.

Contracts:

State of Washinton, Insurance Commissioner: additional contract for the SHIBA program to conduct consumer education and outreach specific to Hoh, Makah, Chinook, Lower Elwha Kallam, Quileute, Quinault, and Shoalwater Bay. Scope of work includes quarterly meetings and reaching Tribal members that may be eligible for Medicare Part D, low-income subsidy (LIS), and the Medicare savings program (MSP). The period for this contract is 4/1/24- 9/30/24 for an amount of \$30,000.

Grays Harbor Foundation: O3A received a \$25,000 award from the Grays Harbor Foundation, funds from this grant are used towards senior emergencies and makes a tremendous difference for older adults.

Respectfully submitted,

Laura Cepoi, Executive Director

- FROM: Laura Cepoi, Executive Director
- **SUBJECT:** Approval of 2023-2024 State/Federal contract DSHS Contract #2369-49980, Amendment No. 3

Background

The State/Federal contract provides funding for programs that include the Title XIX Care Management program; Senior Citizens Services Act used to support Information & Assistance as well as programs such as medication management and disease prevention activities, Senior Emergency Fund assistance to low-income persons; and the State Family Caregiver Program. This year the contract includes additional funding for the new WA Cares Outreach and Care Transitions projects. The contract has a performance period of July 1, 2023 to June 30, 2024. Amendment No. 3 presented for approval provides a net decrease in funding of (\$136,779) representing a small increase for SFMNP of \$5,918, and decreases of unutilized ARP SFMNP (\$2,697), (\$5,000) Kinship Caregiver Support, (\$20,000) Kinship Navigator, and (\$115,000) Care Transitions. The decreased funding was identified in advance by O3A as funding we would not be in a position to utilize by June 30, 2024 and will be reallocated. The maximum consideration under the contract decreased to \$7,370,013.

Recommendation:

I recommend that the COG approve the 2023-2024 State/Federal contract, DSHS Contract #2369-49980, Amendment No. 3.

- **TO:** O3A Council of Governments
- FROM: Corena Stern, CFO
- **SUBJECT: O3A** January 2024 Operating Results

Following this memo is O3A's Revenue and Expense Summary through January 2024. The Agency had an overall YTD operating surplus of \$85,539 for Title XIX funds and a YTD surplus of \$17,099 for MTD MACTSOA restricted funds.

Local fund balance stands at \$499,422 at the end of January which includes YTD interest of \$15,597

General and Case Management fund balance is \$4,923,519 as of 01/31/24.

The MTD MAC/TSOA program has a fund balance of \$985,439.

Case Management gains mitigated other program losses - in the Health Homes CCO and Health Home Lead program area.

The figures below are exclusive of MTD MACTSOA program:

Core Svs Contract Mgmt (CSCM)	(5,657)
Core Case Management (CM)	115,025

Home Care Referral Registry (HCRR)	-
Health Homes CCO	(4,140)
Health Homes Lead	(19,254)
Total	85,939

Narrative Overview –

Overall, the agency ended January ahead \$19,530 of budgeted **Revenue** projections - \$1,008,768 against \$989,239 for the month of January.

Case management revenues ran very close to budget – within 13k, slightly over due to caregiver training reimbursements.

MTD TSOA revenues are slightly over projections – 11k. Due to the contract change for milestones, the agency is projected to come in under budgeted revenues this year. It is too early to tell, but if January is an indication, then the revenue will likely come in 50k less than budget – which was based on the old contract formula.

Ombudsman program revenues were larger for January than anticipated to match expenses. This means that the program will use agency reserves sooner as funding gets used quicker to meet expenses.

Both Health Homes CCO and Health Homes Lead are under projected revenues for January. Health Homes lead was under revenue budget by \$9,948- the net deficit for January was \$19k.

The agency **Expenditures** came in under amended estimates by \$56,405. YTD Salaries and Benefits were under budget by (90k), which were offset by increased expenditures in subcontractor payments and the expenditures of

two relatively new programs, Kinship Navigator and Dementia Catalyst. The largest difference for Payroll & Benefits Budget vs Actual comes from the Case Management department (44k) under budget.

Overall, the agency has exceeded fund balance surplus projections by \$75,934 for January 2024 and has increased fund balance by \$118,634 which includes \$15,597 in YTD interest.

Case Management surplus was \$115,025 at the end of January 2024, Budget was \$51,348.

Admin- Expenditures were under budget for January overall by 10k, mostly due to Payroll and Benefits being under with temporarily reduced staffing in Fiscal.

IT – YTD Overall Under Budget 9K, primarily in Technology purchases and Payroll

PCM – Slightly over budget (13K) in Expenditures partly due to subcontractor payments, which is likely a timing difference.

Information & Assistance – Payroll slightly higher due to MAV program work, but overall within expenditure budget.

MTD-MacTSOA – Expenditures slightly under budget, mostly in Payroll and Benefits.

FCSP/KCSP – Operating expenses are slightly under budget, mostly in Payroll and Benefits. Direct Services were over budget in Respite and Supplemental services, (there is plenty of funding for this).

Ombuds – Expenses were on target

Health Homes CCO ended January with a (4k) deficit. Revenues came in 3k under budget and expenditures came in 5k under budget.

Health Homes Lead deficit was (19)k. Revenues were under by 10k and expenditures over due to annual software purchase.

Other items of note -

• The original 2024 budget memo had a typo in regards to the amount of Revenues for 2024. The attached budget had the correct dollar amount, but the narrative attached listed the wrong 2024 Revenue.

In the memo the total Revenue dollars for 2024 were listed as \$12,255,794, but the attached budget worksheet had \$12,236,028.

\$12,236,028 listed in the worksheet is the correct Budgeted Revenue number for 2024.

- The Agency Payroll Accountant left at the beginning of October and we are still recruiting a new fiscal staff member.
- Significant changes to the Fiscal Year (Jan-Dec) MTD MACTSOA contract have been instituted by the state and it
 is likely that O3A will not be capturing full funding on this contract in 2024 due to the restructuring of funding
 methods. Rather than milestone payments and caseload per unit structure there will be a caseload per unit
 component and a detailed tracking of staff time for "Support Activities" that will be reimbursed. This change is
 reflective of the move of this program from a "Demonstration" project to a regular "project" and the more limited
 funding available. O3A has significant restricted fund balance for this program and has instituted caseload ratios
 standards that should continue to allow the agency to provide these services with no negative financial or service
 impacts.
- Rural Equity Grant from DOH for Clallam County and Grays Harbor County still have a large portion of the contract to spend, as of 01/31/24 - 424K, which includes Admin and the contract amendment received in April. The contract ends May 31,2024. Contract Managers will be re-assessing usage in Jan and Feb. There will be no contract extension.
- American Rescue Plan funding contracts are in the billing /usage phase. This contract includes regular Older American's Act funding matching requirements as standard. The agency will have 3 years to spend the funds (end date is 9/30/24). For SFY 24 the agency will also be receiving State ARP matching funds available through June 30,2024, which are almost spent out at the end of January.

For ARP funding there is no line-item budget. As the MDD and PHE ended (May 11th), ALTSA originally stated that as long as the funding was committed during the MDD/PHE that the flexibility between titles will continue until the end of the contract spend out. As of mid-June 2023 ALSTA has pulled back some of the bucketing flexibility and stated that only the original flexibilities allowed with Older American's Act funding will be allowed.

At the end of January 2024, there was still slightly over 607k in FED ARP (Includes Admin) to spend by 9/30/2024.

The Contracts Program Department has developed a new plan to spend out remaining funds. A request has been made to ALTSA fiscal to move 150k 3B funding to Nutrition, as demands for nutrition continue to climb. In addition, \$75K of 3B funding will be used to fund Information and Assistance. Currently the tribal Social Isolation contracts are allocated at \$150k in the 3B category. The MAV project may use some ARP 3B funding once the DOH grant ends. For the ARP 3E monies, the agency is looking at setting up some adult daycare respite at facilities.

RE: 2024 Senior Farmers Market Nutrition Program Subcontracts

Background: O3A is contracted by the State to provide the Senior Farmers Market Nutrition Program (SFMNP) in our service region. This is a seasonal program contracted annually with a performance period of June 1st to October 31st. The SFMNP supports local farmers and provides low-income seniors with benefits which allow them to purchase fresh fruits and vegetables at participating Farmers Markets with an EBT benefit card, or alternatively provides them with fresh, locally grown produce distributed through congregate meal sites, Meals on Wheels/Home Delivered Meals, food banks, and other local venues. Each participant may receive a total benefit of \$80 for the season.

Historically, O3A has subcontracted with our Older Americans Act nutrition providers to manage the SFMNP in their service areas. This will continue in 2024 for Grays Harbor and Pacific with Coastal Community Actions Program (CCAP). However, due to the cancelation of the Senior Nutrition Program provider contract last fall for Clallam and Jefferson counties it was necessary to issue a Request for Proposals (RFP) to select a SFMNP provider for the 2024 season in the north service area. On April 8, 2024 AC members Eileen Svoboda (Jefferson) and Joe Sharkey (Clallam) met with O3A staff Marki Lockhart, Janis Housden, and Carol Ann Laase by Zoom for a review of the three SFMNP proposals received. After careful review of scoring and discussion, the review committee recommended the selection of the following proposals: Coastal Community Action Programs for Clallam, and the Jefferson County Farmers Market (JCFM) for Jefferson. This means we will have two SFMNP providers in 2024, with CCAP serving three counties and JCFM serving one.

O3A will distribute SFMNP funding based on 2023 performance date and estimates for 2024 services. Both CCAP and JCFM will offer the SFMNP Benefit (EBT) Card as well as the bulk produce option. Funding for 2024 is proposed to be distributed as follows:

Agency	EBT Benefit Cards/Bulk Food	Nutrition Education	Service Delivery	Total
JCFM	\$81,840	\$525	\$5,245	\$87,610
CCAP	\$74,000	\$475	\$4,743	<u>\$79,218</u>
				Total: \$166,828

Recommendation: At the April 16, 2024 meeting the O3A Advisory Council passed a motion to recommend that the O3A Council of Governments approve the 2024 Senior Farmers Market Nutrition Program subcontracts as described above.

Proposed Motion: The Olympic Area Agency on Aging Council of Governments approves the 2024 Senior Farmers Market Nutrition Program subcontracts with the Jefferson County Farmers Market in the amount of \$87,610 and with Coastal Community Action Programs in the amount of \$79,218, for a total of \$166,828, for a performance period of June 1, 2024 to October 31, 2024. O3A Executive Director, Laura Cepoi, is authorized to sign these contracts.

The Advisory Council of the Olympic Area Agency on Aging Meeting Minutes for March 19, 2024 Location: Zoom Conference Call & Aberdeen O3A Office

MEMBERS PRESENT: Susan Conniry, Chair; Beth Tripp, Beth Pratt, Eileen Svoboda, Ginny Adams, Joe Sharkey, Marsha Melnick, Pam Tuttle, Ronnie Meldrum.

MEMBERS EXCUSED: Nancy Gorshe

MEMBERS ABSENT: Jane Lauzon

O3A STAFF PRESENT: Laura Cepoi, Executive Director; Ingrid Henden, Contracts Manager; Michelle Fogus, Planner/Program Development Manager.

CALL TO ORDER: 10:05 a.m. by Susan Conniry, Chair.

NEW BUSINESS/CHANGES to AGENDA: No changes.

PUBLIC COMMENT: Jeanette Siburg introduced herself.

REVIEW/APPROVE MEETING MINUTES: A motion to approve the minutes for February 20, 2024 was made by Marsha with a second by Pam. **Motion Passed**.

COG MEETING ATTENDEE: Eileen volunteered to attend the April 16, 2024 COG meeting by Zoom.

MEMBERSHIP UPDATE:

Michelle reported that Jeanine Grey has resigned, leaving two vacancies in Pacific County. Jeanette Siburg's appointment is pending approval by the Jefferson County Commissioners. Ads will be placed in the next few weeks to recruit new members. If anyone knows of someone who may be interested, please ask them to contact Michelle for more information and an application.

APPOINT COMMITTEE CHAIRS: Susan appointed the following volunteers to chair each committee: Advocacy, Ronnie; Planning, Ginny; Allocations, Nancy (Michelle will confirm that she is still interested in serving; if not, Marsha will assume the chair).

DEMENTIA TRAINING OPPORTUNITY: Members were reminded of two upcoming trainings, one in Hoquiam and one in Sequim, that they are invited to attend. These are 8-hour trainings that will take place over two days. They are professional certification trainings. AC members who would like to attend are asked to contact Michelle.

EXECUTIVE DIRECTORS REPORT:

Laura reported that the legislative session has closed. The new budget added \$12M for senior nutrition. This is especially important in our rural area, where we have some of the highest per-meal costs and highest rates of food insecurity in the state. The MAV is now serving 23 sites and we are looking for continued funding to support low-barrier nutrition access.

Case Management positions have all been filled. The Contract Specialist and Payroll Accountant positions are currently open.

RFP responses for the Senior Farmers Market program will be reviewed next month. The program provides fresh local food and encourages seniors to get out and participate in their community markets. Vouchers are much higher than other states at \$50. However, the redemption rate is only about 58%, indicating that many people do not have access to pick up the food.

Action: Joe and Eileen volunteered to score the proposals.

Laura also reported that O3A is gearing up for WA Cares benefits to become available in July 2026.We will need to support local contractors, particularly small ones, to increase capacity and navigate the payment system.

Bri Buchanan is busy getting certifications for a range of dementia training programs. She will be providing training to caregivers, working to set up Dementia Friends (dementia-friendly community champions) and Star-C (behavior management in home) as well as the professional staff certification trainings. Dementia is the fourth-leading age-adjusted cause of death, and there is currently no cure. Mitigation is focused on changing the environment, reducing stigma, and encouraging early diagnosis. Beth T suggested reaching out to the Dylan Harrell Community Center as a potential place for day services, and Ginny suggested looking into the Port Townsend Community Center.

LOCAL MEMBER REPORTING:

Pam reported that the call-in program is going well. Participant information has been shared with the Ocean Shores PD in case they need to perform wellness checks. The Senior Resource Center is now open 5 days/week. They received a new computer and are getting a new phone system that will have the capability of transferring calls to Pam's personal cell phone for weekend coverage.

STATE COUNCIL ON AGING:
